

TCL

DEHUMIDIFIER DEDU14EB

For room up to 40m²

14L

Dehumidification
Capacity per day

R290 Natural Gas
More environmentally friendly

Dry Clothes
Laundry dries more quickly

24h Timer
For delayed start or stop

Humidity Control
Customized your desired humidity

Big Water Tank
No need to drain regularly

Continuous Draining
Hose connection for direct drainage

Overflow Protection
To avoid any risk of leakage

Easy Washable Filter
Easy to remove, easy to clean

Ultraviolet light
UV light disinfects the air that we breathe

Healthy filter

DEHUMIDIFIER

DEDU14EB

For room up to 40m²

14L Dehumidification
Capacity per day

Performances

Dehumidification capacity L/24h	14
Tank Volume (L)	2,5
Moisture Removed (27°C/60%RH)	7L/day
Max. Moisture Removed (30°C/80%RH)	14L/day
For rooms	15-40m ²

Functions

Dry Clothes	Yes
24h timer	2/4/8h
Continous drainage	Yes
Auto swing	-
Overflow Protection	Yes
WiFi control via Echo	-
Automatic defrost	Yes
Humidity Display	-
Full bucket alarm	Yes
Filter cleaning reminder	-
Auto restart	Yes
Self Diagnosis	-
Refrigerant leakage detector	-
UV sterilisation	Yes
Casters wheels/handles	-/Yes

Electrical Data

Power supply (V/Hz)	220-240V/50Hz
Rated Input Power (W)	250
Rated Current (A)	1,12
UL Rated Current (A)	/
Indoor air flow (Hi/Med/Lo) (m ³ /h)	110/100/-
Noise Level (Hi/Med/Lo) db	41/39/-
Refrigerant	R290
Charge (g)	0,085
GWP	3
CO ₂	0,000255t
Suction Pressure(Mpa)	1,2
Discharge Pressure(Mpa)	2,3

Filters

Type	NC
Quantity	NC
Washable filter	Yes
Life time	NC

Dimensions

Net weight (kg)	10,5
Body dimension (W*H*D)	305*490*192
Gross weighs 1A package (kg)	11,5
Packing dimension (mm) 1A	343*543*230
Stuffing Quantity(20'/40'/40'HQ)	664/1360/1700
Ean code	6955324301224
